

Bake Sale Needs You!

Join the fun and support the schools!
Be a part of our largest fundraiser!

Did you know that the Mountain Lakes Bake Sale is the H&SA's largest fundraiser?

How do we do it? It's easy! We don't bake your traditional cookies and cupcakes. We make delicious homemade meals, and it's delivered straight to your house! Yum! But we can't do it without our parent volunteers. Most workshops run while our children are in school, so please join us in one of the following ways:

Workshop Helper: Join a team of Lakers to make a delicious homemade dish! Don't worry if you can't cook. Workshops usually take 2-3 hours of your time. You'll be given a simple job like peeling apples and have a great time in the process. It's fun to sign up with a friend or show up and meet new people in town! Delivery Driver: After each workshop, we need volunteers to deliver our hot meals! You will receive around 10 addresses to deliver to and takes less than an hour. All you need is GPS! Sign up here: <https://www.signupgenius.com/go/20f0c4bafab2da1fa7-20191>

Workshop Coordinator: The Workshop Coordinator is responsible for administratively overseeing a workshop. This includes checking in with the host to ensure they have everything, sending out reminder emails, and overseeing deliveries. Basic excel skills are helpful. And don't forget to order food! October is the month to enjoy delicious meals made by your neighbors. We have homemade appetizers, soups, entrees, and desserts! There's more variety than ever before so truly something for everyone. Look for our order form in the Virtual Backpack, or click here to order now through our September 25th deadline!
